

September 2018

Dear Parent/Carer,

NOTICE OF ELECTION NUMBER OF PARENT GOVERNOR VACANCIES: 1

I am writing to give notice that 1 vacancy exists for a Parent Governor on the School's Board of Governors and I invite nominations, which must be returned no later than **12 noon on Friday 21st September 2018**.

What do Parent Governors do?

Being a school governor is interesting, worthwhile and rewarding. The Board of Governors are mainly concerned with the overall direction of the school and policies rather than the detail of managing the school. The board agree the aims, objectives and policies for the school then monitors progress and performance toward the agreed aims.

Governors are asked to act with integrity, honesty and objectivity and give their time voluntarily to work as part of a team. It is important that governors are aware of their roles and responsibilities and act at all times in the best interests of the school.

The board is made up of governors offering different skills and experiences. They all share a common interest in the success of the school. Once elected, Parent Governors are a representative parent and not a delegate. This means they can relay the views of other parents, but vote as their conscience dictates.

The Board would welcome nominations from individuals who may be retired and have time to contribute to meetings at the school with the following skills or expertise; governance experience / data analysis / finance management / human resource management / local community knowledge / community services / premises & buildings management / commercial / special needs awareness / health and safety / leadership and management/marketing and PR .

For information regarding the Board of Governors and details of our expectations see the website or contact the Chair of the joint local governing body.

Each candidate must have parent responsibility for a registered pupil at the school at the time of the election and must agree to being nominated by signing the declaration enclosed. The term of office will be four years. Each nomination must be supported by a proposer and seconder and a separate nomination paper must be used for each candidate. Additional copies of the nomination paper can be obtained from the school.

If there are more candidates than places available, an election will be held. Candidates may, therefore, wish to provide a statement on **not more than one hundred words**, which will be sent to parents with the ballot papers.

Yours faithfully

Irene Tuzio
