Headteacher Message

Dear Parents/Carers,

Damian Kenny
Headteacher

It has certainly been an action packed week! On both Tuesday and Wednesday this week, we had our Sports Days for our Early Years, Key Stage 1 and Key Stage 2 classes. We were extremely lucky with the weather, which made the experience that bit more enjoyable. The children had such an amazing time and it was great to see them cheering and encouraging their schools friends, as they participated. The parental races certainly brought out the competitive side in some! I'm not sure who had the most fun on the day - the children or the parents. At the Key Stage 2 event, we had five parental egg and spoon races. Thank you all for participating and making the day extra special for the children. Your words of thanks and support are very much appreciated. I only had one parental suggestion, and that was to introduce a parental three-legged and wheelbarrow race for next year. Watch this space and start practicing.

On Tuesday morning, Mrs Daly had an early start as the Year 6 SATs results were released. As anticipated, the children did exceptionally well and raised the bar even higher for next year. A huge well done to you all, and well done to Mrs Daly, Mrs Wissett and the team.

The Year 6 school prom followed on Tuesday night. The children and staff put such an effort into getting dressed up for the occasion, and the efforts certainly paid off. The children were very well behaved, and they really did have a superb time on this fabulous night. Please see our Facebook, Twitter or Instagram pages to see some of the photos from the evening.

Tuesday night also saw a number of children dancing at the St Helens Theatre Royal. Their performance was outstanding, and I know many of you went along to watch. I had a lovely email from the organisers to say how amazing our children were, and that they'd be happy to have them back anytime in the future. Well done girls!

It has been an excellent year. With only one week to go, I ask you all to keep up the high standards right to the end. Friday is going to be an important day for all the children, so please make sure they are in school. School will close at 1pm on Friday 19th for the end of term.

Have a great weekend.
Mr Kenny
