## Headteacher Message

Dear parents and carers,

It's hard to believe that we are now in the last two full weeks of this academic year. The preparations are well underway to ensure the children have a smooth and stress free transition from one year group to the next. On Wednesday, the children had the opportunity to meet their teachers from September, and experience a day in the life of the older children. Additionally, they were able to share their excitement and any worries about the academic year ahead. They all had a great day! With this in mind, please note that there will be some movement in classes and teachers for September. This decision will be made on a number of factors, with one of them being the progress your child has made over the year and their end of year assessment data. Please rest assured that the children will be best placed to ensure they are supported to reach their full potential.

Next week is another busy week, with events such as the Year 6 prom and our Sports Days. Please make sure to have a note of the dates and start times in your diary. With assemblies etc, please make sure you are on time as no one will be admitted after the event has started. During the two Sports Days, we will be providing water and biscuits for the children, and a tuck shop where parents can buy cold drinks and ice pops.

Finally, it is with great sadness for me to announce that we have some fantastic members of teaching and support staff leaving us for exciting, new opportunities at the end of this year. I know you will all join me in wishing them all the very best for the future. I would like to give a special mention to three of our long standing members of staff. Mrs Hutton, who has been here for over 27 years, has taught and impacted on so many children's lives that attended Park View is moving on to pastures new. She has been a senior leader within the school for a long period of time, and will be sadly missed. Miss Ambrose, our Reception teacher, has been with us for 6 years and will also be moving on to new adventures. She has brought many smiles to the children in our Early Years setting, and has worked tirelessly to ensure your children have a great understanding of phonics and reading. And last but not means least, Miss Jenkins will also sadly be leaving us, however will still be staying within the Trust family to take up a position in Blacklow Brow School, working as part of the EYFS team. A sad loss for us but a massive gain for them.

Have a wonderful weekend.

Mr Kenny
