Headteacher Message

Dear Parents/Carers

It has been a busy week for years 2 and 6. They have been doing their tests ready for the next round of moderation. It never ceases to amaze me how they take the whole experience in their stride and how many of our children actually enjoy doing tests!

This week we have had the author Rebecca Fan-Blinston in to work with the junior children. She has brought in her new book 'The Maghull Monkey' and has been teaching our children how to do origami. We thank Rebecca for her support at Park View Academy and for sharing her writers experience with us. The children have really enjoyed the visit.

Miss Walker and I have been looking at the standards of uniform in the school this week. As you are aware we are very clear about our code of dress and maintain very high standards throughout the school. Please, if you are unsure about types of shoes and haircuts etc, refer to your child's planner or the school website. We pride ourselves on our uniform and high standards at Park View and our children set a superb example for you and us in the local community. Have a great weekend.

Time Keeping

Doors open: 8.40am

Doors close: 8.50am

Well done to classes 6HJ with 2 lates and all the children who have been on time this week. However, there were still 35 lates this week. Try and leave 5 mins earlier. Let's see if we can get this lower next week!

Rebecca Fan-Blinston was in school on Wednesday and Thursday working with Years 3, 4, 5, 6. She was inspiring the children to think about their dreams and ambitions and that anything is achievable when you believe in yourself.

CHILDREN'S MENTAL HEALTH WEEK
3 - 9 FEBRUARY 2020

FIND YOUR BRAVE

#ChildrensMentalHealthWeek

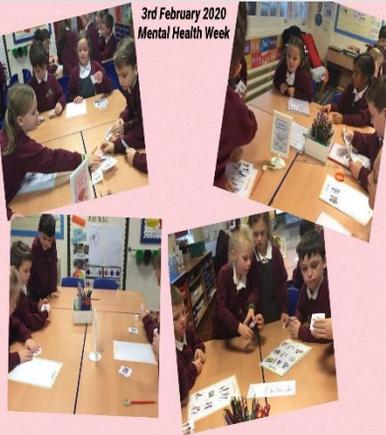

This week has been Children's Mental Health Week. Mental health is about being healthy on the inside. Through the week we have looked at how we can find our Brave. Being brave can mean facing a situation when you're unsure about something and having a go anyway. Sometimes big and uncomfortable feelings or emotions can get in the way of being brave. Bravery comes in all shapes and sizes and what feels brave for one person might not feel brave to another. Taking even small brave steps can help you feel good about yourself and more confident to face future challenges.

I was very brave when I was stung by a nettle.
Lilah Fenlon

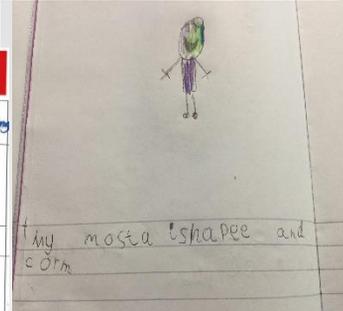

Nursery and reception children read the book called "The Colour Monster" which puts different feelings into colours and helps us talk about the different ways we can feel sometimes. They drew a monster and described how their monster looked and felt.

Find your Brave - Children's Mental Health Week 2020

<p>Something I did where I felt brave:</p> <p>I was on the bars and fell and hit my head but I didn't give up I tried again.</p>	<p>Something brave I could do at school:</p> <p>ask more questions</p>	<p>Something new that I've never done before:</p> <p>Do Being brave by slipping at the trampoline park</p>
<p>What my friend might do to help their brave:</p> <p>saylen would go on a high zipline</p>	<p>How do you find your brave?</p> <p>I would go rock climbing for my gear of heights</p>	

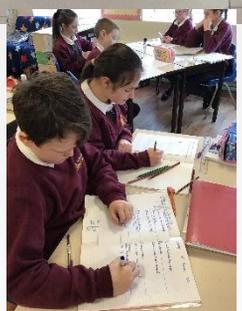

2L talked about different forms of bullying in school and how it may make us feel.

We talked about what things might worry us at home and in school.

We thought of different techniques we can use to help us with our worries and to change our behaviours.

PIC•COLLAGE

We learnt that mental health is our minds. We know that it is very important to look after our minds.

Dates for your diary

- 10th February – Reception eye screening
- 11th February – Safer Internet Day
- 12th February – Healthy Eating – 2L
- 14th February – Finish for half term at 3.00/3.10

56%
of children say they worry all the time about something.
Children who get less sleep are more likely to feel worries get in the way of school work.

Words of the Week

MATHS – Product ENGLISH – Tranquil

Have a practice of these words over the weekend. Who knows - you could earn yourselves Dojos when you return to school and use these words in the correct context!
