It Is Great To Be Me!

Challenge One

Tell your new teacher about yourself; this can take any form, be as creative as you can.

Some ideas:

- Write a letter to your new teacher telling them about yourself.

- Make an All About Me poster, including all the incredible skills and interests you have.
- Create an All About Me book on Purple Mash.

Challenge Three

Teachers like nothing more than bumping into a child they have previously taught. In 20 years when we see you in the shop, park, cinema who will you be? Tell us about your future self. You can draw, write, create a profile page, or dress up in your parents' clothes and record a video from the future telling us about your future self.

What will your job be?

Where would you like to live?

Are you famous?

DAY 2 – Tuesday 14th July 2020

Look What I Can Do!

Challenge 1

Spirited Arts and Spirited Poetry <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2020/>

This is an exciting Religious Education project that you can do at home. There are £25 prizes for the winners, and your work may appear on our web gallery. The art you make should be all about your own ideas on a big religious question. It can be 2D art, painting, drawing, pastel colours. It can be 3D, fabric or sculpture, video art, music or poetry. You will do your best work if you consider how other children have done the task (see attached document for examples).

Expressing your own ideas and comparing them to ideas from different religions and beliefs is what this task it is all about.

Good luck.

Challenge Two

Hour of Code

The Hour of Code is a global movement reaching over 100 million students in over 180 countries. Have a go and complete an hour of code.

DAY 3 – Wednesday 15th July 2020

The Land That I Created!

Challenge One

Create your own land. Your land could be on paper, a 3D model, a map, on Purple Mash, a description, on Minecraft or even made out of clay.

Things that you might want to think about;

- What animals live there? (you might want to make an animal)
- Plants that grow there.
- Do people live on your land?
- What do the houses/buildings look like?
- What planet is it on?
- Do you have specific laws?
- Is there a king or a queen?

Challenge Two

An Hour of Fun

Design an hour of fun. If you could do anything in the world for an hour for fun, what would it be? You can write a description, build it, draw it or even send us a video about it.

Where would you go?

What would you do?

Who would you go with?

How much will it cost?

Day 2 - Spirited Arts and Spirited Poetry <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2020/>

Look at the web gallery, and choose some favourite art

Here is a good place to start looking: <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-gallery/2019/?ThemeID=66>

If you prefer to start with poetry, here are some poems to look at – and listen to. <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-poetry-2019/spirited-poetry-collection/2019/?ThemeID=83>

Imagine you are a judge for this competition. Look at ten or more examples from your age group, and select your three favourites for 'gold, silver and bronze' medals. Make a 3-minute pencil sketch of the three you like best, and say why you gave them prizes.

Three themes: choose one for your RE/art work

- A. God's good earth?** The beauty of the earth is celebrated in many religions, but the human spoiling of the earth is a danger and a coming crisis. Can you make a work of art that shows what you think about our beautiful world? Does it belong to God? To us? To all the animals? Should we pray for the world?
- B. Holy Words!** What words are holy for you? Select sayings or stories you love about peace, faith, unity, prayer or another spiritual idea. Incorporate your holy words into your art work. What is so great about the 'holy words' you chose? Can you use some quotes from holy books you love or have learned about in RE? What about some non-religious wise words?
- C. Where is God?** Is God in your heart? In prayer? In the temple or the universe? Or is she hiding? Is he not there at all? Looking for God is something almost everyone does sometimes but how are we doing in finding God? Would you search with google or a 'god-detector'? Can God be found by prayer? Use some ideas from different religions and beliefs and your own mind to make a work of art on this theme.

Gold		I am a dedicated Hindu. I decided to reflect on the question 'Where Is God?' In my artwork, the most important thing is someone who might meditate or pray to find God in a spiritual sense. For instance, trying to find light in the darkest of days. The sun represents someone who wants to find God in a physical sense, like a being or object.	This is the best in my opinion because...
Silver		The idea behind this artwork was that a person was questioning the location of God, therefore looked through 'binoculars' to reveal the answer to all of their doubts. Through the binoculars, you can see a pair of hands holding the Earth.	I gave this a silver medal because...
Bronze		Your life is like a rose. God is like a gardener. As he nurtures you and looks after you, you become stronger and more beautiful. Keep on reaching for the sky. Without the gardener there would be no flower, and without God, there would be no life or purpose. Believe.	This is an excellent piece of art because...

When you have selected your 'gold / silver / bronze' pictures and explained your choices, then make a plan for your own work of art.

- Select the theme
- Consider what ideas you want to express
- Are there any scriptures, holy writings or wise words you can include?
- What will you need to make your art?

**On a fresh sheet of paper, write about your art work.
Choose at least 8 of these 16 prompts.**

- The title I chose is ... because ...
- The deepest thing about my work is ...
- I think my work connects to religion because ...
- A quote from a holy book that fits with my work is ...
- I've been investigating ...
- This picture is all about ...
- My 'Art is Heaven' work is about ...
- In RE it is good to explore ... so ...
- Doing this work has made me think ...
- I've tried to show my thoughts / ideas / vision / feelings by ...
- In my picture, you can see ...
- What I like best about my work is ...
- I hope people will notice ...
- This work has helped me to realise ...
- To make the image, what I did was ...
- I like the theme I have been working on because...

Entering your work for the competition

The 2020 competition has a closing date on 31st July. Judging will take place over the summer and prizes of £25 vouchers will be awarded to the winners.

The website shows schools how to enter, and your teacher may ask you send your work in to school, but because so many people are learning at home at the moment, we will accept entries posted to us at NATRE / Spirited Arts, 5–6 Imperial Court, 12 Sovereign Road, Birmingham B30 3FH

Make sure your work is marked with your name, age and school (if your work is selected for the website galleries, we will not identify you of course).

Bulky or 3D work can be photographed and submitted online. See the website for further details <https://www.natre.org.uk/about-natre/projects/spirited-arts/spirited-arts-2020/>
