The Dean Trust believes this policy should be a working document that is fit for purpose, represents the ethos of The Dean Trust, enables consistency and quality across its schools and is related to the following legislation:

- Childcare Act 2006
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Education Act 2011
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

The following documentation is also related to this policy:

- Statutory Framework for the Early Years Foundation Stage (DfE) 2017
- Equality Act 2010: Advice for Schools (DfE)
- Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)
- Special Educational Needs and Disability Code of Practice: 0 to 25 Years. Statutory Guidance for Organisations Who Work with and Support Children and Young People with Special Educational Needs and Disabilities (DfE) and (DoH)
- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

At The Dean Trust we believe that 'Every child deserves the best possible start in life and the support that enables them to fulfil their potential'. Children develop quickly in the early years and a child's experiences between birth and age five have a major impact on their future life chances. A secure, safe and happy childhood is important in its own right. Good parenting and high-quality early learning together provide the foundation children need to make the most of their abilities and talents as they grow up. (Statutory Framework for the Early Years Foundation Stage (DfE)).

At The Dean Trust we are aware that 'The Early Years Foundation Stage' (EYFS) sets the standards that all Early Years providers must meet to ensure that children learn and develop well and are kept healthy and safe. It promotes teaching and learning to ensure children's 'school readiness' and gives children the broad range of knowledge and skills that provide the right foundation for good future progress through school and life.' (Statutory Framework for the Early Years Foundation Stage (DfE)).

The EYFS, which refers to children from birth to five years of age, is based upon the following four principles: a **unique child; positive relationships; enabling environments; learning and development** and it seeks to provide: **quality and consistency; a secure foundation; partnership working; and equality of opportunity.**

For all children within the EYFS in The Dean Trust we have a duty to:

- shape activities and experiences (educational programmes) **{Learning and development}**;
- help children work towards acquiring knowledge, skills and understanding **(Early learning goals)**;
- provide **assessment arrangements for measuring progress**;
- **report** to parents on their children's progress;
- safeguard children and promote their welfare **(safeguarding and welfare arrangements).**

The EYFS is made up of seven areas of **Learning and Development** which are all very important and interconnected.

The three prime areas of **Communication and language; Physical development; and Personal, social and emotional development** are particularly crucial for igniting children's curiosity and enthusiasm for learning and for building their capacity to learn, form relationships and thrive. It is very important for children to develop the three prime areas first, as they are most essential for a child's healthy development and future learning.

Also, as children grow, the prime areas will help them to develop skills in the four specific areas of **Literacy, Mathematics, Understanding the world and Expressive arts and design.**

We firmly believe that all seven areas of learning and development must be delivered through planned, purposeful play, with a balance of adult led activities and child-initiated activities.

We want all our children to learn by **playing and exploring, by being active and through creative and critical thinking.** The characteristics of effective learning describe factors which play a central role in a child's learning and becoming an effective learner. The characteristics of learning run through and underpin all seven areas of learning and development, representing processes rather than outcomes, they are vital elements of support for the transition process from EYFS to Year 1. We use both the indoor and outdoor environments so that children can develop intellectually, creatively, physically, socially and emotionally.

The three characteristics of effective teaching and learning identified by the EYFS are:

Play and exploring- Engagement	<ul style="list-style-type: none"> • finding out and exploring • playing with what they know • being willing to 'have a go'
Active Learning- Motivation	<ul style="list-style-type: none"> • being involved and concentrating • keeping trying • enjoying achieving what they set out to do
Creating and thinking critically- Thinking	<ul style="list-style-type: none"> • having their own ideas • making links • Choosing ways to do things

We work hard to give every child the opportunity to achieve their best as we believe every child is unique and constantly learning. We do this by taking account of their wide-ranging life experiences when we plan for their learning.

In The Dean Trust we recognise our responsibilities under the Health and Safety at Work Act 1974 and the health and welfare requirements as stated in the Statutory Framework for the Early Years Foundation Stage 2017. We will take all reasonably practicable steps to provide and maintain safe and healthy working conditions (on our schools' premises and during school-sponsored activities). We will:

- Promote the welfare of children.
- Promote good health, preventing the spread of infection and taking appropriate action when children are ill.
- Manage behaviour effectively in a manner appropriate for the children's stage of development and individual needs.
- Ensure all adults who look after the children or who have unsupervised access to them are suitable to do so.
- Ensure that the premises, furniture and equipment is safe and suitable for purpose.
- Ensure that every child receives enjoyable and challenging learning and development experiences tailored to meet their needs.
- Maintain records, policies and procedures required for safe efficient management of the setting and to meet the needs of the children.

We aim to be judged at least 'good' in all school inspections by ensuring that standards for all pupils are higher than schools of a similar size and that standards continue to improve faster than the national trend.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

Aims

- To give every child the best possible start in life and the support that enables them to fulfil their potential.
- To ensure children learn and develop well and are kept healthy and safe.
- To promote quality and consistency throughout teaching and learning in order to ensure children's 'school readiness'.
- To give children the broad range of knowledge and skills that provide the right foundation for good future progress through school and life.
- To share good practice within The Dean Trust and with other schools.
- To ensure compliance with all relevant legislation connected to this policy.
- To ensure close partnership working between teachers and parents/ carers.
- To ensure every child is included and supported through equality of opportunity and anti-discriminating practice.

Responsibility for the Policy and Procedure - Role of the Headteacher

The Headteacher, EYFS Leader and Teachers will:
