Headteacher Message

Dear Parents and Carers,

What a week we have had! Our school has been a hive of activity, fun and excitement for all children. Our Head Boy and Head Girl have been busy working with Mrs Humphreys, setting up and hosting our MacMillan Coffee Morning, which was just fantastic. The pictures from the day can be found on our Twitter and Facebook pages.

Joining the Head Boy and Head Girl this week, some year 6 pupils have been selected to be Reading Ambassadors to make sure our school library, reading sheds and class libraries are well presented and full of engaging and exciting books. To cap off the promotion of reading, we have purchased a vending machine which has been converted to hold books. Children will have the opportunity to select books from it if they win Star of the Week or show their teacher exceptional work in their reading lessons.

Our enrichment clubs have started this week with great success – over 250 children have taken part in clubs this week through a whole host of activities.

Finally, looking forward to next week, our Meet the Teacher meetings will take place on the 27th, 28th and 29th September. This is your opportunity to join us to talk about the expectations of each year group and take home important information regarding this year.

If you have any questions, please remember that our senior leadership team on the gates every morning and afternoon. Have a great weekend!
