Headteacher Message

Dear Parents and Carers,

You are receiving my newsletter a day early due to a staff inset day. For this particular training day, all our staff are traveling to our primary schools in Trafford to join our equivalent colleagues. The day presents lots of opportunity for professional development, as well as collaboration and consistency. Teachers will be focusing on refining and enhancing our curriculum, while teaching assistants will be working on differentiating activities for all children.

On my classroom visits this week, it was great to see so many happy children engrossed in their learning. Year 6 children were deep in a writing activity recalling and summarising their novel 'Once'. I was impressed by the use of high-level vocabulary and punctuation used throughout the class.

I think we have some budding authors in the making! Year 4 were learning about The Mayan empire with a historical hunt. Our Reception team have been out visiting some of our new starter children for September. The team were delighted to see so many happy smiling children ready to start 'big school' in September. I know our year 6 children have been working hard on a surprise for them which they will soon receive in the post. Have a lovely weekend!

Thanks,

Mr Damian Kenny – Executive Headteacher

OUTDOOR EXPLORERS CLUB

This week in outdoor explorers club we interpreted the work of artist and environmentalist Andy Goldsworthy using leaves, sticks and pebbles. 🌿 We then carried out some observational drawings of different sections of our Science garden 🌸
