## Headteacher Message

Dear Parents and Carers,

This week has been National Sports week. Alongside our normal National Curriculum subjects, we had a particular focus on sport and teaching the children about healthy bodies, minds and souls. The children have been learning about healthy eating and what makes a healthy, balanced diet. Next year, we are going to have a particular focus on what children are eating for their lunch. This will include packed lunches. Furthermore, children have been working with a company called Evolving Mindset, looking at positive mental health and how to keep the mind fit and active. Today we had a fabulous sports day with lots of fun, competitive activities for the children. It was great to see so many parents, grandparents and friends there to support the children. A particular highlight for the children was the mums and dads race. Well done and thank you.

On Wednesday night I had the privilege of attending the Knowsley Central Area Heads Awards evening at our secondary school, Lord Derby Academy. I was accompanied by 5 children from both Park View Academy and Blacklow Brow who were all nominated and awarded prestigious awards in different categories. I was so proud to be sat next to so many outstanding young people who I know will go on to do great things in later life. Congratulations to them all! Please follow us on Twitter to see the photographs of everything this week.

Mr Damian Kenny  
Executive Head teacher

Finally, it is with great sadness that we are saying goodbye to a number of our lovely staff – All pictured below. After a number of years with us, Miss Bradley has decided to move back to her roots in Ireland. We are also saying goodbye to Miss McRandle who is jetting off to Dubai seeking endless sun. And finally, Miss Edwards is moving onto pastures new to a promotion in a new school. They will all be sorely missed. We wish them all the very best in the future and they will always be welcome at our school.
