

Consultation feedback

21 responses from Park View Parents

74% in favour (14 parents)

26% not in favour (5 parents)

From the 5 that were not in favour all parents raised issues that were individual to them rather than whole school issues. We are happy to discuss these concerns with parents on an individual basis.

Set times for all year groups	This is not a feasible option given the size of the school. Some parents need to collect children from two different yards. The traffic on the main road is also a consideration.
Start earlier or on a Friday open until 3.20	Earlier opening was considered. We were concerned that the number of children late to school would increase therefore impact phonics and early reading. A number of families already struggle with an 8.50am start.

Therefore, from September the school day times will be:

Year group	Doors open	Finish time
Nursery	8.40am	3.25pm
Reception	8.40am	3.25pm
Year 1	8.40am	3.25pm
Year 2	8.40am	3.25pm
Year 3	8.40am	3.20pm
Year 4	8.40am	3.20pm
Year 5	8.40am	3.20pm
Year 6	8.40am	3.20pm
