- 

*We aim to organise 3 independent competitions each half term with schools in the local area. This will aim to target all year groups, giving as many children the opportunity to engage in a competitive event. These events will focus on sports such as Football, Cross Country, Goal Ball, Boccia, New Age Kurling, Multi Skills, Quidditch, and Kinball.*

*The focus of these competitions will encompass our 'School Games Values' of Passion, Teamwork, Respect, Self-belief, Determination and Honesty. This allows us to have a holistic approach within our PE curriculum with our pupils.*
