Introduction

The Dean Trust has clear expectations of excellent behaviour and has in place both positive reinforcement practices and clearly established procedures for dealing with incidents of unacceptable behaviour when it arises. As a school, we believe in certainty of sanction rather than necessarily severity of sanction and that descriptive verbal praise is a powerful way of developing happy and purposeful schools.

The Dean Trust approach is rooted in its core values '**Believe, Succeed, Achieve**' and its commitment to providing pupils with a comprehensive education that encompasses both academic excellence and social

development. Pupils are encouraged to cultivate self-discipline and make responsible choices, equipping them with the necessary skills and knowledge to succeed both inside and outside the classroom.

Maintaining consistently high expectations for behaviour and conduct is a key aspect of the school's ethos. Through effective practices and routines, Park View Academy creates a calm and focused learning environment that supports pupil growth. Additionally, a clear framework of learning habits is in place to guide pupils in developing positive behaviour habits.

Leadership within the Trust collaborates closely to ensure a shared understanding of the reasonableness and proportionality of disciplinary measures. This collaborative approach ensures that sanctions are fair and appropriate across all schools within the Trust, promoting consistency and fairness.

We focus on developing and promoting positive attitudes and behaviours through quality first teaching, a stimulating learning environment and a culture of praise, recognition and self-discipline. These combine leading to a positive school culture, a great climate for learning and true inclusion. Our expected standards of behaviour are clearly communicated to pupils, staff and parents; this is the **“the PVA Way”**

Park View Mission

Park View Academy, a safe and happy environment where aspirations have no ceiling and our children always come first.

Principles and Purpose

The primary purpose of the Positive Behaviour relationships and Attitudes Policy is be very explicit in how we operate as a Trust school and it is everyone's collective and equal responsibility to foster the behaviour culture we desire for the Trust/school and which pupils deserve. All staff are expected to take collective and deliberate action to know and live out ‘the PVA way”.

Park View will empower all pupils develop excellent learning habits they will need to be successful in school that enables pupils to develop socially, emotionally, and academically and thrive as a citizen of the world

Our objectives include:

- To ensure that all children are Safe and Happy
- Fostering a positive school culture based on the code of conduct, Ready, Respectful, Responsible
- Explicitly teaching good behaviour and overcommunicating expectations for pupil conduct and behaviour.
- To help children grow, and become positive, responsible and increasingly independent members of the school community.
- Implementing consistent and fair systems for managing behaviour
- Embedding routines that support a positive behaviour culture, reduces cognitive load and support the facilitation of creating social norms that cultivate a positive behaviour culture
- Provide appropriate support and interventions for pupils with special educational needs and/or disabilities
- Preventing and addressing incidents of bullying, abuse, and discrimination.
- Promoting professional development and training opportunities for staff to effectively manage behaviour
- Ensuring smooth transitions for pupils entering or re-entering the school
- Establishing clear guidelines on prohibited items

The policy sets out measures, which, in accordance with the 2010 Equalities Act and Section 89 of the Education and Inspections Act 2006, and relevant statutory guidance.

Leadership and Management

In order to create a positive school culture, time is dedicated to nurturing a culture of high expectations and positivity. This commitment is essential in maintaining good order and discipline, enabling our pupils to reach their full potential. While we strive to create an environment where pupils make the right choices, we acknowledge that mistakes can happen. In such instances, we are prepared to respond in a fair and proportionate manner.

Engagement of Governors/Trustees

The Governing Body is responsible for ensuring that the behaviour policy is effectively pursued at the school and the principles stated above are reviewed annually. It will ensure that the policy is communicated clearly to the staff, pupils, parents and carers.

The Governing Body will support the school in maintaining high standards of behaviour and ensure that the behaviour policy has reasonable expectations and is non-discriminatory in line with the legal responsibilities of the Equality Act 2010 and the Race Relations Act 2000.

The Executive Headteacher

The Executive Headteacher will ensure that effective measures are taken to support the principles laid out by the Governing Body, and will determine an acceptable standard of behaviour of all pupils. The Executive Headteacher is responsible for the implementation and application of the policy and procedures, the provision of support for vulnerable pupils, and support for staff when faced with challenging behaviour. The Executive Headteacher will also ensure that when dealing with behaviour issues, staff must always be mindful that behaviour issues presented by a pupil could be as a result of a safeguarding concern. In such cases, consideration would be given when deciding on an outcome or sanction for the behaviour displayed

Staff

Staff, including teachers, support staff, and volunteers, must adhere to the school's policy and procedures in a fair and consistent manner, without discrimination. Staff are responsible for creating a positive learning environment that fosters self-discipline and personal responsibility

Staff should model the expected pupil behaviour and make reference to the code of conduct, shared language and behaviour scripts provided by the school.

Mutual support among colleagues is important to maintain consistency and high standards throughout the school. Staff will participate in a comprehensive and augmented CPD program that will improve their practice in relation to behaviour leadership.

Staff are encouraged to seek support from the Behaviour Lead with more complex pupils when facing challenges with implementing the Behaviour Policy.

The role of the Pastoral/Behaviour Lead

Our dedicated pastoral lead plays a vital role in providing support and guidance to pupils. They work closely with pupils, parents, and staff to address behaviour concerns, implement support plans, and facilitate the well-being of pupils. The pastoral lead collaborates with other professionals and agencies to ensure that pupils with special educational needs and/or disabilities receive appropriate support in meeting behaviour expectations

The role of Pupils

Each pupil has a personal responsibility to adhere to the PVA Code of Conduct and, when arriving at school, is expected to:

- Be in full PVA uniform
- Have their fully equipped school bag
- Remove chewing gum and dispose of it in the bin
- Consume any externally purchased hot food and drink before entering school premises
- Arrive to school by 8.40am at the latest
- Be ready, prepared to start lessons for 8.50am
- Mobile phones must be left at the school office at the beginning of the day and collected when Year 6 pupils are going home. School headphones can be used if it supports the learning in a lesson where Chromebook or ICT equipment is used

All pupils must follow the Relentless Routines for entering and leaving classrooms:

- Pupils enter the classroom as they are greeted by the teacher, this is in line with the Ready to Learn Routine.
- All pupils must sit according to the class seating plan immediately and put their equipment and planners on their desk and their bag and coats hung up.
- All pupils must complete the 'Do Now' activity as soon as they are Ready to Learn, while the teacher takes the register.

- At the end of the lessons, (before break and after lunch) pupils should stand behind their chairs in silence and wait to be dismissed by the member of staff.

Walking around the school:

- Follow instructions from any staff member first time, without comment
- Never run on the corridors
- Follow the one-way system by keeping to left when walking around school
- Keep quiet on corridors, being mindful not to shout or disrupt the learning of others
- Keep the school and the outdoor area clean and tidy, and not to leave rubbish behind for others to tidy up.

Behaviour Procedures

The school's procedures arising from the policy are intended to foster a culture of self-discipline and personal responsibility for behaviour. We know that pupils make mistakes and recognise that this is part of growing up. We understand that pupils can witness or be lured into anti-social behaviour outside school. We have procedures in place which regulate the conduct of pupils

We believe that a strong partnership forged between parents and teachers can overcome most behavioural problems, and that standards of behaviour in school are exactly those that are expected from parents and carers in their homes. We expect decisions in school to receive full parental support.

The PVA Way: School Systems and Social Norms

School Routines

Establishing consistent and structured school routines is essential for creating a positive and orderly learning environment. Routines are an essential part of 'the PVA way', we employ them to:

- Communicate the high expectations we have for the learning, behaviour and attitudes of all pupils.
- Create the conditions to allow all pupils to thrive.
- Habituate the habits for success.
- Create predictable and structured environments, leading to better behaviour.

At PVA we don't just tell pupils what to do, we actively teach the routines

1. **Design:** we will decide exactly how the routine should look like. This will involve scripting the routines, the creation of instructional videos and staff practising the routines.
2. **Describe:** we communicate to pupils the importance of routines and we explicitly communicate in detail the behavioural expectations for each routine.
3. **Demonstrate:** we model the routines to pupils to show them what the routines should look like.
4. **Demand:** we insist on pupils practising the routines until they are executed perfectly and we remind them constantly through positive or corrective interventions.
5. **Disengage:** We constantly repeat the process until it is habitual.

Defining Good Behaviour

Good behaviour at Park View Academy is far more than the absence of poor behaviour. It is the habituation of 'the PVA way'. At Park View Academy, we believe in explicitly teaching and reinforcing positive behaviour.

Excellent Behaviour	Poor Behaviour
<p>The pupil has habituated the 'PVA Way' and follows all routines and expectations.</p> <p>The pupils' habits give them the best chance of scaling their personal mountain and thriving as a citizen of the world</p>	<p>The pupil has habituated bad habits and regularly fails to follow routines and expectations.</p> <p>The pupils' habits are preventing them from scaling their personal mountain and thriving as a citizen of the world</p>

Ready, Respectful, and Responsible are the core behavioural expectations at The Dean Trust and underpin the Code of Conduct. These principles guide pupils in their actions and attitudes to create a positive and safe learning environment.

If pupils successfully adopt our practices and habituate 'the PVA way' the following behaviours would be visible:

	Excellent Behaviour (Closely aligned with the desired culture)	Poor Behaviour (Misaligned with the desired culture)
<p>RESPECTFUL</p> <ul style="list-style-type: none"> to themselves to others of the environment 	<p>The pupil habitually:</p> <ul style="list-style-type: none"> treats other with respect interacts positively with others, using good manners, and appropriate language and tone listens to the views of others and accepts their right to an opinion follows all school routines, including moving around the school in a safe and calm manner follows all instructions first time, every time looks after the school site, displays and equipment. 	<p>The pupil frequently:</p> <ul style="list-style-type: none"> treats others with a lack of respect. interacts negatively with others, often showing poor manners and inappropriate language and tone. fails to listen to the views of others and/or denies their right to an opinion. fails to follow school routines, including when moving around the school site. fails to follow all instructions at the first time of asking. fails to look after the school site, displays and equipment.

Rewards and Sanctions

Consequences- both sanctions and rewards- play an important role in building and maintaining a positive culture. Most people need reminding those actions have consequences and the use of extrinsic

consequences helps to remind pupils of our social norms. Consequences are feedback to pupils on their behaviour. Consequences remind pupils that their behaviour *matters* because *they* matter.

Acknowledging Good Behaviour

Rewards can be a very useful motivator and should be a part of every teacher's toolkit - used properly rewards can help to encourage better habits. All children start the day on a Green Card. This shows they are following the Park View Values and classroom charter. Class Dojos/behaviour points are awarded to children for positive reinforcement. 20 Dojos in 1 week is rewarded with a prize every Friday.

It is important that children are rewarded for good behaviour and learning. It is always our aim to encourage and promote positive behaviour and always reward children when appropriate. At PVA we recognise and celebrate when individuals live out our values and contribute to a culture of kindness.

HOW: At PVA we use the following factors to ensure rewards are used effectively:

1. **Praise in public:** When you reward a pupil for doing something, you do so in a community and what is rewarded gets noticed.
2. **Specificity:** Pupils are more motivated by rewards as incentives when they are capable of understanding that reward is connected to the behaviour.
3. **Motivating:** Providing pupils with rewards (extrinsic motivation) to help them experience success and build up intrinsic motivation over time.
4. **Authentic:** To be effective, praise must be sincere, deserved and proportionate
5. **Avoiding common pitfalls:** overuse of rewards can condition pupils to expect rewards for doing what should be expected; pupils can become desensitised to rewards and stop valuing them; ineffective use of rewards can normalise mediocrity.
6. **Shared Language:** Every behaviour intervention, positive or corrective, should be punctuated with READY, RESPECTFUL and or/ RESPONSIBLE?

Correcting Poor Behaviour

When correcting a behaviour staff must utilise the strategies from the behaviour toolkit; intuitive responses, diverters and diffusers and 'take up time' as outlined in the staff playbook. Staff must make reference to the Code of Conduct, punctuated with Ready, Respectful and Responsible.

At Park View Academy recognises the importance of providing a personalised approach to supporting pupils with additional needs within behaviour policy. The school aims to create an inclusive and supportive environment that caters to the diverse needs of all pupils. In some cases, reasonable adjustments will be made for pupils with SEND and SEMH that aligns with the school's approach to true inclusion

Chance, Choice, Consequence

When dealing with unacceptable behaviour, staff should remain calm and assertive, avoiding confrontation or shouting and use the 'Chance, Choice, Yellow Consequence, Red Consequence' framework as a way of correcting pupil behaviour. Staff have four options when issuing a consequence.

- Chance e.g., class teacher / TA – verbal conversation or non-verbal cue
- Choice: e.g. class teacher/TA – Pupil to reflect and make choice of behaviour
- Yellow Consequence: Pupil to miss playtime – undertake mediation with class teacher
- Red Consequence – Pupil to be internally excluded. Parents informed by BL and CT. Incident logged on Cpomms. BL to have a meeting with CT. BL to decide on Next steps i.e Progress Card, weekly meeting with parents

We believe in providing pupils with opportunities to make choices and understand the consequences of their actions. The chance-choice-consequence framework helps pupils develop responsible decision-making skills and take ownership of their behaviour. In certain cases, when behaviour significantly disrupts the learning environment, the school may implement temporary removal strategies in accordance with our policy.

Code of Conduct

The Park View Code of Conduct is foundation of the behaviour system which is visible across the school. Staff use the Code of Conduct to remind pupils of their responsibility towards contributing to a positive school ethos and ensuring good behaviour.

As a school we expect pupils to adhere to the following standards:

You are respectful:

- to yourself
- to others
- of your environment

You are ready:

- to learn

- to embrace opportunity
- to be the best you can be

You are responsible:

- for your behaviour
- for your learning
- for your appearance

Anti-Bullying (in conjunction with PVA's Anti bullying policy)

At Park View Academy, every pupil has the right to learn, and feel safe in school. The school will take a strong stance and has zero tolerance for all forms of bullying, including name-calling and prejudicial behaviour. The schools anti-bullying measures align with the Equality Act 2010.

The Definition of Bullying

The repetitive, intentional hurting of one person or group of people by another person or group of people, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online'

Examples of Bullying:

Physical – hitting, pinching, biting, pushing, shoving, taking, intentionally tripping up someone or damaging belongings and stealing money.

Cyber-bullying - sending abusive text messages or emails to someone or a group, posting abusive messages, spreading rumours or making threats on social network sites, posting pictures or information about someone on the internet to promote hatred and isolation and to humiliate and hurt.

Verbal: Name-calling, insults, racist or sexist remarks, mocking, teasing, intimidation, threats, or demands for money.

Indirect: Spreading rumours, offensive graffiti, isolating or excluding someone, making them feel uncomfortable or unwanted.

Sexual harassment and abuse: Unwanted sexual behaviour that violates a person's dignity, making them feel intimidated, degraded, or humiliated.

Pupils can speak to staff or Pastoral Lead. Staff can speak to Pastoral Lead with any concerns. All Alleged incidents are logged on CPOMMS .

Bystanders who collude with bullying face the same consequences as the main perpetrator.

We are committed to maintaining a safe and inclusive environment, free from bullying, harassment, and discrimination.

Pastoral Leads Room

In cases of serious disruption, (Red consequence) pupils may be withdrawn from a lesson and placed in the Pastoral room. This will give the pupil the opportunity to regulate their behaviour.

The withdrawal varies based on discussion with Pastoral Lead. Once the pupil is ready to learn they will be given a progress card that they must get signed from their teacher each lesson.

Withdrawal from lesson may occur for investigative purposes, preventive measures, or health and safety reasons, and it is not recorded as a sanction.

Pupils may be withdrawn from lessons for a set period due to non-compliance with uniform and appearance protocols. Repeated failures may lead to further sanctions

Internal Exclusion

Internal Exclusion is a serious alternative to a suspension from school. It involves removing a pupil from the school community until 3.20/25pm for a set period of time. During Internal Exclusion, pupils will follow their usual curriculum. The decision to use Internal Exclusion is made reasonably and proportionately, ensuring it is not prolonged unnecessarily. Failure to cooperate during Internal Exclusion may lead to an extended period or a Fixed Term Exclusion.

Pupils in Internal Exclusion are supervised, provided with a school lunch, and allowed breaks for restroom visits. They are treated with respect and dignity. Restorative work and follow-up support are implemented to prevent recurrence.

Specific behaviours carry predetermined consequences based on severity, which may result in Internal Exclusion. The school reserves the right to modify these sanctions on a case-by-case basis, considering individual circumstances and severity.

Exclusion Periods

Excluding a pupil from school, temporarily or permanently, is a serious decision that is not taken lightly. Alternatives are considered before resorting to exclusion.

Fixed Term Exclusion

Pupils who blatantly violate the school's Code of Conduct may be temporarily suspended if Internal Suspension is insufficient. This applies to incidents such as:

- persistent disruptive behaviour
- refusal to cooperate
- dangerous behaviour
- verbal abuse or threats towards staff
- assault on a pupil, intentional damage to school property
- aggressive behaviour in the community
- failure to complete Internal Suspension
- bringing prohibited items to school
- These examples are not exhaustive

Repeated serious behaviour will lead to a governors' disciplinary panel meeting to consider the pupil's future at the school.

Permanent Exclusion

Permanent exclusion may occur in a one off serious incident, or in the case of persistent disruptive behaviour where the school feels unable to provide further support or when allowing a pupil to remain would seriously harm their own or others' education or welfare, regardless of their previous behaviour record. The school will provide work to do at home for days one to five. A school Governors' meeting will be arranged to review the decision within 15 school days of the exclusion and you will be invited to attend. Your child can also attend this meeting

Use of Reasonable Force

In exceptional circumstances, when necessary to protect pupils or staff from harm, the use of reasonable force may be employed. We adhere to legal requirements and guidelines to ensure that any use of force is proportionate and in line with our duty of care.

Behaviour and Conduct at Breakfast and After School Club

All staff work to the same policies across the school. Staff working during lunchtimes and in our extended care will follow this policy.

Safeguarding

Children's behaviour may raise safeguarding concerns. Staff should record and report these to the Executive Headteacher (Mr Damian Kenny) as the school's designated safeguarding protection officer or Deputy Safeguarding officer (Miss Debbie Walker). All staff receive training on the link between behaviours and possible issues relating to safeguarding.

Prohibited Items

To maintain a safe and secure learning environment, certain items are strictly prohibited. Pupils suspected of bringing in any item in the 'prohibited' items list below may be searched without consent, including their belongings, by the Executive Headteacher or SLT who are authorised to do so:

- weapons and knives
- alcohol
- illegal drugs
- drug-related paraphernalia
- stolen items
- tobacco, cigarette papers and e-cigarettes
- fire lighting equipment
- fireworks or explosives of any kind
- pornographic images
- any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property.
- any item listed under 'banned items' in the school rules and which specify they may be searched for.

Park View Academy does not need formal written consent from pupils or parents when searching for banned items under the school rules.

Pupils suspected of bringing in any other banned item, such as those listed below may be searched (only with the pupil's consent), by a member of staff

Other banned items at PVA:

- any form of liquid-based correction fluid. Note: pupils may use correction tape and correction tape devices
- laser pens or LED torches chewing gum
- cans, energy drinks or fizzy drinks
- confectionery (crisps and chocolate bar only as part of lunch pack)
- any aerosol (other than essential medication) Note: pupils should use non- aerosol deodorant
- metal pronged combs
- cameras and mobile or other electronic devices: the school reserves the right to confiscate cameras or mobile phones and to delete any unauthorised pictures or video recordings, of pupils or staff or malicious communications. These items can be searched for without consent. (Education and Inspections Act 2006)

Authorised staff who can conduct a search for school banned items with consent from pupils may ask pupils if they can hand over their bag or outer clothing, or to turn out their pockets or empty their own bags.

Damaging property

Pupils who vandalise or damage school property will face sanctions.

Malicious Allegations Against Staff

Malicious accusations against members of staff are taken very seriously. Where pupils are found to have made malicious accusations against a member of staff which, following investigation are proved to be unfounded, the school may suspend the pupils concerned. Depending on the severity of the accusation and the level of distress caused to the member of staff, this exclusion may be permanent

Mobile Phones and Electronic Devices

At Park View Academy pupils are not allowed to bring mobile phones/electronic devices into school.

Equality and Disability at Park View Academy

We recognise that children are different and will ensure that no children are discriminated against when managing behaviour. Our school has clear guidelines relating to disability, race and gender. This will be monitored by the Executive Headteacher

Interrelationship with other school policies

In order for the behaviour policy to be effective clear, links with other school policies, such as Safeguarding and Child Protection, Anti-Bullying, Acceptable Use and SEND policies have been established.

Review

In consultation with staff, this policy and its procedures are regularly reviewed and updated in conjunction with statutory requirements and DfE guidance. The behaviour policy is published to parents annually.
