## Headteacher Message

Firstly, I am delighted to inform you that our Year 6 students recently had the opportunity to visit the Imperial War Museum. This visit not only enriched their understanding of history but also served as a catalyst for their writing skills.

In addition, our school has been actively participating in the Kinball Knowsley competition. Our students showcased their exceptional sporting abilities and represented Park View Academy with great pride. I commend their dedication and team spirit, as they displayed excellent sportsmanship throughout the event.

Furthermore, we have continued this week to conduct Individual Learning Plan (ILP) reviews with parents. These reviews allow us to collaboratively assess each student's progress and set targets for their continued growth. We greatly appreciate the commitment and involvement of parents in these discussions, as it plays a pivotal role in ensuring our students' success.

I am pleased to announce that our staff have also been engaged in professional development. Knowsley City Learning Centre, delivered a comprehensive training session on various aspects of IT, with a particular focus on 'coding'. This training equips our teachers with the necessary skills to integrate technology effectively into their lessons, enhancing the learning experience for our students.

I would like to take a moment to express my sincere gratitude to Tara Gorman and her dedicated PTA team. They organized two fantastic Bingo events earlier this week, which were enjoyed by children, parents, and members of the local community. Their hard work and commitment are truly commendable, and I would like to extend my heartfelt thanks to everyone involved.

As we look ahead, I would like to remind all parents about the upcoming parents' evening on Monday and Wednesday next week. It is essential to book your appointment to ensure a productive and informative discussion about your child's progress.

Lastly, I would like to inform you that the term will conclude on Wednesday, 27th March, at the usual time of 3.20/25 pm. The students will then enjoy a well-deserved break and return to school on Monday, 15th April, refreshed and ready for the next term.

Thank you all for your continued support and involvement in our school community. Together, we can ensure the success and well-being of our students.

Warm regards,

Mr Kenny
