Headteacher Message

Dear Parents and Carers,

Firstly, I would like to extend a heartfelt thank you to all the students and staff who participated in our fantastic World Book Day celebrations. The school was buzzing with excitement as children came dressed as their favourite book characters, and we were delighted to see such a wide range of literary heroes and heroines. The day was filled with storytelling sessions, book swaps, and a special assembly where we emphasized the importance of reading and the joy it brings to our lives.

In addition to World Book Day, our Year 2 students recently took part in a Road Safety workshop. They learned valuable lessons about crossing the road safely, understanding traffic signs, and being aware of their surroundings. The children thoroughly enjoyed the interactive activities and their newfound knowledge will undoubtedly contribute to their overall safety when out and about.

We also hosted a Parental Mathematics Workshop, aimed at providing our parents with tools and strategies to support their children's mathematical development at home. The workshop was well attended, and the feedback we received was overwhelmingly positive. It is wonderful to see parents actively engaging in their child's education and working in partnership with us to ensure their success.

Lastly, our Early Years department has been buzzing with excitement as they welcomed a group of adorable ducklings. The children have been learning about the life cycle of ducks and have been actively involved in their care and observation. This hands-on experience has not only provided them with a deeper understanding of nature but has also fostered a sense of responsibility and empathy towards living creatures.

Before I conclude, I would like to draw your attention to an important notice. We have limited Reception places available for September, and I encourage any parents who have not yet secured a place for their child to contact the school office as soon as possible.

Thank you for your continued support and involvement in your child's education. We are incredibly proud of our Park View Academy community and the positive impact we are making together.

Have a lovely weekend,

Mr Kenny
