## Headteacher Message

Dear parents and carers,

I need to start this week's newsletter off with a huge thank you to all you as parents and to the children. As you will be aware we had Ofsted visit the school this week for a full two days. The children, as always, were an absolute credit to you and the school. I was overwhelmed by the extremely positive comments parents had put on the online feedback as well as the letters/emails that were sent into school. Thank you all for your support. Finally, I need to recognise and thank, whole heartedly, the work and efforts of every member of staff at Park View. The two-day inspection was no different to any other day at school however, it was a great opportunity for Ofsted to see how fantastic our staff really are. The final outcome to the inspection is still confidential however as soon as we can we will share the report with you all.

In classrooms, we have continued to promote high-quality learning in a variety of ways. In Reception they have been studying mini-beasts and life-cycles. In Year 4, they have been studying The Great Kapoke Tree and looking at how chocolate is made ready for their DT project. Year 5 have been using The Explorer by Katherine Rundell and linking it to their Geography work studying the Amazon Rainforest.

You will all now be aware that year 6 are preparing hard for their upcoming exams. There will be more information sent to year 6 parents regarding exam week over the coming days.

Have a great weekend everyone and we look forward to seeing you on Monday.

Mr Damian Kenny
