## Headteacher Message

Dear parents and carers,

Finally, some summer sun has arrived. Our enrichment clubs started this week with a wide variety of clubs and curriculum-linked activities from Drama to Computing club, and from Reading to TT Rockstars. We have had over 200 children in clubs this week which is amazing!

Our additional tutoring sessions have also continued with children in Years 6, 5, 3, 2 and 1 getting bespoke support from staff in school. Attendance in these sessions has been extremely high.

Thank you to those staff who give up their time to support the children with their learning. Next week, Year 6 children start their assessments. They will be able to come to a free breakfast club so they can settle in, speak to staff if they have any worries, and be able to talk with friends before the start the tests. We all wish them luck and know that they will do the school proud with their hard work, commitment and show off what they can do.

Park View has also received some good news this week, for the 3<sup>rd</sup> year in a row we have been awarded the Gold Quality Mark for Sports and PE. Congratulations to Mr. Connah and Miss. Heaton who make sure that physical exercise and sporting opportunities are bountiful for the children in school – there was a Key Stage 1 Girls Football competition yesterday and the team had great fun and celebrated their successes.

In classes, Year 5 have continued with their historical work on the Tudors, studying Henry VIII and how he changed British history as well as writing a disaster narrative based on their current reading book – The Explorer. Year 4 are studying The Great Kapok Tree and linking this to their work in Geography and Science by studying The Amazon Rainforest.
