Headteacher Message

Dear parents and carers,

I hope this newsletter finds you well. As we approach the end of another academic term, I would like to share with you some important updates and upcoming events at our esteemed institution.

First and foremost, let us acknowledge the hard work and dedication of our Year 6 pupils as they have now completed the SATS examinations. Their perseverance and commitment to academic excellence are truly commendable.

In our continuous efforts to support the emotional well-being of our pupils, we are pleased to welcome a listening ear counsellor to our school this week. This professional will be working closely with children from Year 1 to Year 6, providing them with a safe and supportive environment to express their thoughts and concerns.

Additionally, today we had our parental maths workshops specifically designed for Years 4&5 parents and carers.

This interactive session aims to provide you with valuable insights and strategies to support your child's mathematical development at home. Thank you for those that attended.

Moving forward, please make a note of the following upcoming events:

Year 4 students will embark on an exciting educational trip to Dolly Hall next week. Please make sure you have read all the communication and are packed ready to go.

Year 1 students will be participating in the phonics screening check, a crucial assessment of their reading and decoding skills. We kindly request your support in preparing your child for this important milestone.

As always, we value your involvement and collaboration in your child's educational journey. Together, we can create an environment that fosters growth, curiosity, and a love for learning.

Thank you for your continued support and trust in our educational endeavours.
