Headteacher Message

Dear parents and carers,

I am delighted to announce the commencement of our enrichment clubs for the upcoming term. These extracurricular activities provide our pupils with valuable opportunities to explore their interests, develop new skills, and foster a love for learning beyond the classroom. We encourage all pupils to participate and make the most of these engaging programmes. In addition, I would like to commend our dedicated staff and pupils for their hard work and achievements. Year 3, recently participated in a football competition, showcasing their teamwork, sportsmanship, and athletic abilities.

We are proud of their efforts and the positive spirit they displayed throughout the event.

Furthermore, we are committed to supporting the overall well-being of our pupils. Our listening ear counsellor has been actively providing guidance and support to those in need, ensuring that our students feel heard, understood, and empowered to overcome any challenges they may face.

Our family support working team will be visiting the school to engage with students in years four-six, fostering a strong connection between home and school. Additionally, a number of year 5 had the opportunity to participate in the Bikeability programme, promoting road safety and healthy living.

Finally, I would like to extend my gratitude to our Parent-Teacher Association (PTA) for their unwavering support and dedication.

Their recent meeting has paved the way for exciting new initiatives and opportunities for our school community.

As we continue to strive for excellence, I encourage all parents and carers to stay involved and engaged in their children's educational journey. Together, we can create an environment that nurtures growth, fosters curiosity, and empowers our students to reach their full potential.

Mr Kenny, Executive Head Teacher

Mr Damian Kenny
Executive Head teacher

Headteacher's Spectacular Pupil Damien Wibberley

- Nursery – Chloe Regan
- RS – Hudson Bell-Arands
- RL – Ella Ball
- 1W- Ela Yildirim

If your child is absent you must inform the school office by 9.00am

3M made some seed earth 'bombs' for World Earth Day! They enjoyed the process and they had lots of knowledge about what it needs to grow as it links with our Plants topic in science!

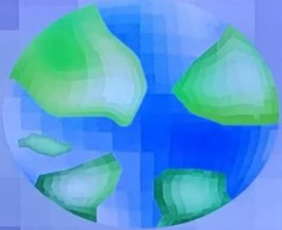

The children have taken them home to plant in their own garden!

EARTH DAY

Earth Day 2024

Planet v Plastics

The Earth Day theme for 2024 is "Planet v Plastics".

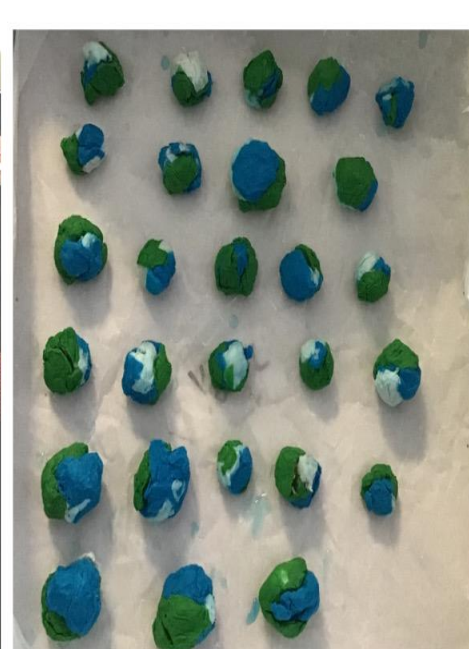

It is encouraging countries, governments, organisations and individuals to take action to reduce plastic production by 60% by 2040.
